Forecast for Saturday 01 May 2021

Weather: A dry night with clear skies and a slight frost in the dales and valleys. A bright start then cloud building up. Mainly dry but the odd shower is possible in the afternoon and early evening with any showers wintry above 750m.

Chance of cloud free mountain/hill tops above 800m: 90% or more.

Visibility: Great clarity to the airmass with any deteriorations in showers temporary and the building cloud remaining above the summits.
